6130, FM 41, ROAD, ROPESVILLE, TX, 79336

<https://aycockrealtytx.com>

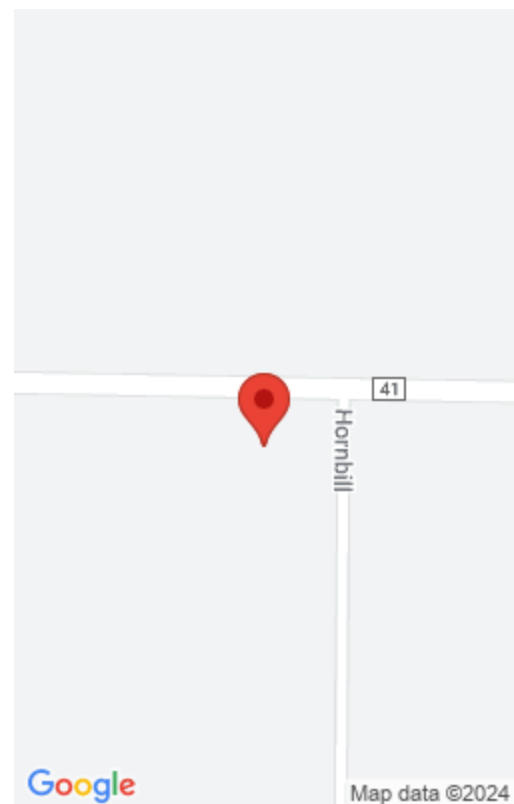

This Hockley County farm located just west of Ropesville has 0-1% slopes for more than 90% of the property. Although it has been operated as a dryland farm, there are multiple existing wells located on the farm. With highway 41 frontage on the north and paved Hornbill Road on the east, this property deserves attention!
